**It's 12 Days of Christmas Bundles full of pampering items!**

**She feels loved and you look like a Hero!!**

**Can I reserve one for you?**

**If He says yes...**

**I have several price options. \$299 or \$249 which one sounds best for you?**

**(If He indicates that is more than He wants to spend the lowest I go is \$199 for 12 days. Its hard to get 12 gifts together for less than that.)**

**Do you have any daughters we could surprise with a gift from you?**

**What would you like to spend?**

**Do you have any staff at work you need to gift?**

**What would you typically spend?**

**Let me get your wife's (any other adults he may have purchased for) name and cell number. I will touch base with her/them after the holidays to check on her products and include her in a virtual beauty experience that you gift her (I provide for free!!)**

**Get his CC info and set up delivery date!! I usually tell him the week of December 15th.**
